I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal-court jurisdiction in your case?

III. STATEMENT OF CLAIM

Place(s) of occurrence: Brooklyn, New York City

Date(s) of occurrence: 12/4/20 - 12/7/20

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Anywhere I go there are hoodligans, fraud and conspiracy. The latest conspiracy is the taking out of key people who has a stake in the COVID vaccine to drive up profit and or distribute a portion and hold back on the others.

Jesus said "is too long for stupidity/foolishness to be going on."

The defendants or hoodligans have gone far, deep and wide to trap a victim (me). Jesus said "look at fraud." The hoodligans have incorporated death, sacrifice and after life.

I see an open door (in and out). I see a river flowing two ways and back again. I saw a man who sits on a high bed went through the process.

A bullet was pumped into the man who sat on the high bed and taken out.

I heard a defendant made a joke and said "O, you got up - I know you" - "all you saying all type of things to the women and then f-ing her in the back".

I had also previously heard "Go and get the real money."

I was suppose to be after living sacrifice. I was shown it before in the spiritual and was taken to the

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing. Decline health and hygiene. Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to housing + food. Oppression. Stalked, monitored. Traumatized. Overwhelm. Exposure to the elements. Swollen ankles. Re-worn dirty clothes. Harassed. Uncomfortability. mental pressure

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the F.B.I, C.I.A and L. James to investigate.

I would like to ask the court to order the defendants restore all what was scinded, and to compensate me for creating hardships, stressors, and

holding tent and burial site at Hoyte Street Subway
Train Station.

I heard the defendants talking about "what
I was doing and getting me home".

I heard the defendants said "I was difficult."

I physically saw two black garbage bags next to a
shovel and broom which was to be used to put my
inside (bowels) into.

I saw a last meal given and a shower in
the planning and plotting stages.

I heard a defendant said "nobody can see the body
it has been embalmed."

Only one person came for the 'scene' with the man
who sits on top of a high bed.

I heard someone said "that's a serious matter
and no joke."

I heard a young man said "You see how much
problem that was last night."

I saw he was given money for the job. I also
heard someone said "You still breathing."

I heard a man said "nothing is mine's again
but yours" - "what is a totle?" - "you are not on my side."
It appears to me the man on the high bed is/was
supposed to take my place. In the "vision" I said
"before you go I lost my shoe."

I heard "Before I go receive back your shoe/baby"
A blow - a powerful one came with it in my stomach
that physically woke me up.

About 8:30pm last night I zerved in on
another part of the puzzle unfolding. It started on
Broad Street (15' line) and ended at Fulton for me.
When I saw a couple people came on at Fulton
8:45pm and a black garbage bag angrily thrown on the

train floor I quickly hopped out the train.

In addition to the puzzle this vision alerted me "All yuh want to go, go."

I don't want to go, bye I said. That's when I hopped of the J train on Fulton platform. Coincidence the NYC MTA line elevator for R.C. was not in service? - leaving me projecting me to the "J" line for my death and sacrifice.

The NYC MTA ^{train} worker had already physically relieved himself (urinated) on broad street. A very tall Italian looking female came down broad street subway steps and went into the train. For strange reasons she looked like someone else after I saw her. I went into the same car as/with her (mystery).

After I hopped off a train at about 11:00pm yesterday on Hight subway platform I discerned something was not right with the scene I was looking at. It spoke death to me and I quickly pulled back against an exit door at the end of the platform.

I saw the two black garbage bags, shovel and broom in the middle area down on the tracks. I saw the holding tent. I heard "that blasted tent is for you" previously. I further heard "Bring profit down so others can raise theirs up". They were going to kill and sacrifice me in that area.

Jesus brought me there to check out the scene/archives before hand. I was frightened leaning against the exit door and looking behind me too at the same time. The Hight platform was empty. I first saw a lady holding a folder conversing with a man down inside the tracks when I got off.

It appeared to me she knew me. I was told she came looking for me and thought I had exited.

FACT (4)

I was waiting on the other train and seeing out the couple people passing by down inside the track as I leaned against the door frightened.

The stalking and back-riding have become unbearable. A very large percentage of New York City residents have gone insane over my money. They are doing crazy stuff doctors can see much more than normal people. They are very toxic and unhealthy to be around. The stuff they do puts them into that category. I do not want these clan of people around me.

The God that sits high and look low sees everything. Evil-doers think He is asleep. Wake Him up. Presenting oneself a living sacrifice and going through an open door and coming back is wasting tax-payers money and a patch of foolishness. Evil-doers keep clinging to me sucking my blood draining me. Look at fraud, look at fraud, look at fraud.

Apart from being pushed out of a nook at 125 Maiden Plaza after midnight on Saturday most things are unchanged. I heard someone said to this "guard" "go out and make some money."

He did me nasty. I blew out a thief the early morning the previous day at 110 Maiden Lane. The thief went directly into 110 Maiden Lane hiding from them. The "guard" said "don't let the other workers inside there tell me you still here". I have been sleeping there for about 2½ months. Anywhere I am or go hooligans are.

NYPD coincidence a young man who could be my son throws out garbage in a garbage can by my nook about 11:35pm and your car comes into play too. All three of us point of contacts 9:45pm Mr. Frost makes same three point contact with me and a string

FACT (5)

band of children plus a second family. Not normal stuff happening here. I need all sick people away from me. Mentally pressuring my family continuously to withdraw my money different ways.

I am holding the defendants accountable of fraud, corruption, abuse of power, targetting and suppression. I am holding them accountable of "alleged" death and sacrifice.

RELIEF:

pain and suffering. Sacrificial offering and exchange is psychopathic behavior. Please hand over all keys to my Bishop and new compensation. We need to get into our house.

I would like to ask the court to compensate Duane and Mr. Frost for mental pressure, life alterations and no life. Compensate them for pain and suffering and traumatization.

OTHER RELIEF:

I need three more christian churches suffering financial hardships i.e rent, lights, heat/gas maintenance receive financial help.

- 2 non-denominational churches in Bronx and Brooklyn
 - 1 Pentecostal in Staten Island.
- No counterfeit powers (christian based only).

Please include all back/past orders/bills to be paid (full).
Please include one month in advance bills above paid too.
